PERMIT # PLY

	s Obtaining Building Permits						
101.65(lr) of the Wisconsin Statutes requires municipalities that enforce the Uniform Dwelling Code to provide an							
owner who applies for a building permit with a statement advising the owner that: If the owner hires a contractor to perform work under the building permit and the contractor is not bonded or insured as required under s. 101.654 (2) (a), the following consequences might occur: (a) The owner may be held liable for any bodily injury to or death of others or for any damage to the							
						property of others that arises out of the work perf	ormed under the building permit or that is caused by
						any negligence by the contractor that occurs in co	onnection with the work performed under the building
						permit.	
(b) The owner may not be able to collect from the	contractor damages for any loss sustained by the						
owner because of a violation by the contractor of							
	or death of others or damage to the property of others						
	r that occurs in connection with the work performed						
under the building permit.							
You are hereby advised that owner, as defined in 101.01(2)e o	f Wisconsin State Statutes is responsible for all code						
requirements not specifically cited herein.							
The applicant(Property Owner or Contractor) agrees to comply	with the Wisconsin Uniform Dwelling Code, Wisconsin						
Enrolled Commercial Building Code, and all other applicable co	odes and municipal ordinances and with the conditions						
of this permit. The Applicant understands that the issuance of	f the permit creates no legal liability, express or implied,						
on the Inspection Agency or municipality and certifies that the	information is accurate. The Applicant agrees to allow						
the building inspection and assessing to access the property f							
responsible for calling and scheduling all inspections to close	out the permit once work is complete.						
If this project is in a dwelling or child-occupied facility, built be	fore 1978, and disturbs 6 sq. ft. or more of paint per						
room, 20 sq. ft. or more of exterior paint, or involves windows,	then the requirements of ch. DHS 163 requiring
